Supermarkets – cynical day-light robbery?

For our paper this month, I am passing on to you (without comment) a letter which has been written by Liz Brunt (a friend of Sr Monica Arthur from our Fetter Lane Circle).

Please read the letter in your Circles, and if you wish, after discussion, either individually or as a Circle, you can sign your copy on the back, and send it to:

Ann Robinson

There is no obligation, but even if you don't wish to support her campaign, I hope it provokes a good discussion in your Circle!
