

PrayerList for the Unity Women's Desk

July 2018

Pray for Nicaragua and the political unrest that has erupted there. Pray for the safety of our sisters and brothers there and particularly for the children who are so sadly affected. Pray that the issues may be resolved for the good of the people of Nicaragua.

Pray for the mothers and children who have been separated in the U.S.A. by a recent presidential immigration policy. The policy has now been rescinded but several thousand children were separated from their families in the last few weeks. Pray that the families may be reunited quickly and that no permanent damage has been done to their health or minds of the children.

Pray for the European Women's Conference being held in The Netherlands this month. May they be blessed by their fellowship together and may they find new purpose in serving their Lord Jesus Christ.

Pray for the British Provincial Synod to be held from 6th – 9th July. Election for new board members will be held.

Pray for the growing cooperation among the various mission boards of The Unity and the UWD. May our working together bring even greater rewards for our sisters as well as blessings on the other important mission work that the mission organizations do.

Give thanks and praise for the wonderful video made by the Uganda Mission Province about the work of the women there. They pay tribute to the work the UWD has done in providing scholarships to a number of their girls and young women. You may view the video on [YouTube.com](https://www.youtube.com/watch?v=...) under the title "Documentary on Girl's Education and Piggery Project in Uganda." It is well worth watching!

Pray for the planning committee of the All African Women's Conference to be held in late August in Dar es Salaam.

Pray for the planning committee of the American Women's Conference to be held next June in Winston-Salem, North Carolina. Additional information may be found on their website at www.moravianwomensconference.org.

Pray for the girls and women who are attending school with scholarships from the UWD. Our scholarship recipients are in Zambia, Uganda, Peru, Honduras, Nicaragua, India, Nepal, Albania, Star Mountain, and in various provinces in Tanzania. Pray for the ten women who are studying for the ministry with UWD scholarships.

Pray for peace in our world and for justice in all places. Pray for the leaders of all of our countries that they may seek justice and prosperity for all people in the countries where they serve.

Pray for women who are victims of violence in their homes and in public places. Many of our provinces are working on programs to help address this issue and bring hope to the survivors of such abuse. Pray that more provinces and local churches may initiate programs to help the women that they serve.

Pray for those who are seeking asylum from the poverty and violence in their home countries. May they find countries that will welcome them and give them opportunities for better lives.

Pray for the Advisory Board as they meet this month to consider scholarship requests, loan requests, and project support requests. They will also be making decisions on policy matters and studying the results of several surveys we are conducting. May they have the leading of the Holy Spirit as they make decisions on these matters.

Pray for our sisters who are serving in the ordained ministry. If you are one of those ministers and have not responded to our survey on ordained ministry, please do so now. If you need a copy of the survey, please write to the UWD at Unitywomen2011@gmail.com and a survey will be sent to you.

Pray for the Unity Women's Desk as we begin the process of finding a new Coordinator for the UWD and also as we seek new representatives for the Advisory Board for the Regions of Africa and America. Give thanks and praise for the dedicated service of Sr. Angelene Swart and Sr. Sallie Greenfield who will retire from the Board at the end of 2018. May we be so fortunate to find two more such dedicated women to lead us forward on the Advisory Board. Write to the UWD at Unitywomen2011@gmail.com for application forms and job descriptions for all three of these positions. These will also be available on our website later this month at www.unitywomensdesk.org.

Pray for the women who are leaders of our church on the Unity Board, on Provincial Boards, and in their local churches. May they show integrity and courage as they seek to do the Lord's will in these leadership positions.

Pray for women who have started or expanded businesses with loans from the UWD. Pray that their businesses might prosper so that they may provide employment opportunities for other women and that they might serve the needs of the communities in which they have started their businesses.
